

Memorandum of Agreement National Transfer Plan

In response to the CWA's concern for its members' employment security and its expressed interest in removing impediments to movement between various AT&T Companies identified in the attachments to this Memorandum, as long as they remain wholly-owned subsidiaries of AT&T, the Company agrees to extend the Inter-subsidiary Movement (IMF) process and the CWA Surplus Exchange (CSE) process with the following modifications:

IMF:

1. Eligible employees will receive priority placement before external hires after regional contract processes for any bargaining unit job for which they qualify. The qualification criteria utilized will be the same qualification criteria utilized for the regional contractual processes.
2. In situations where there are equally qualified employees eligible and interested in the same position at the receiving Company, eligible employees will be offered the position in order of seniority. If needed, the tie breaker for employees with the same seniority will be the last four digits of their social security number with the higher number being the more senior.
3. When a bargained-for employee moves among bargaining units of the Company covered by this Memorandum of Agreement treatment of vacation time, the Designated Holiday (DH), Floating Holidays (FHs), and Excused Work Days (EWDs) or their equivalent (covered time) will be treated as follows:
 - A covered employee will be eligible for covered time for the current vacation year at the new entity based on the existing labor agreements at that entity. Any covered time already taken at the former entity will be deducted from equivalent covered time for which the employee is eligible at the new entity; the remaining covered time will be scheduled at the new entity subject to needs of the business.
 - Covered time carried over from the prior vacation year must be disposed of, i.e., paid in lieu of or taken at the former entity.
 - In no case will an employee's movement from one entity to another result in the double payment for covered time.

4. Employees who have held the Premises/Wire Technician job title, or any job title in an agreement or appendix to an agreement that provides for the terms and conditions of employment for Premises/Wire Technicians ("Premises/Wire Technician Agreements"), are eligible for IMF, but shall be treated as provided in this paragraph. Any employee who has ever held a position in a Premises/Wire Technician Agreement will be treated by any receiving company that is party to this IMF agreement and that also is party to a Premises/Wire Technician Agreement as if they were received from their own Premises/Wire Technician Agreement for all purposes. If the receiving company does not have a Premises/Wire Technician Agreement, then employees transferring to that company shall receive the benefits applicable to other bargained-for employees with similar service in the receiving company, except for pension and post-retirement medical and dental benefits; instead, 1) such employees shall participate in the Bargained Cash Balance Program 2 and 2) if such employee meets the eligibility requirements for post-retirement benefits upon termination, the former employee will pay contributions equal to 50% of the total cost of coverage for post-retirement medical and dental coverage if the former employee is not Medicare eligible and will not be eligible for medical or dental post-retirement coverage if Medicare eligible.
5. Employees selected to fill openings in accordance with terms outlined above, will have their Term of Employment (TOE, which was previously known as Net Credited Service or NCS) or Seniority at the departing company recognized by the receiving Company's pension plan or program, subject to the receiving Company's service bridging rules. However where pensions are applicable, the TOE or Seniority will be recognized by the receiving company's pension program only for vesting, participation and eligibility service purposes, but not pension credit or accrual purposes. Further, the service performed at the receiving company will be counted in the departing company's pension plan or program, but only for vesting, participation and eligibility purposes (not for pension credit purposes). In no event will a period of service count as pension credit or accrual service in more than one AT&T pension plan or program (in other words, no double counting of service for pension credit or accrual purposes).
6. Unless expressly provided to the contrary by the Benefits Agreement in the Core Collective Bargaining Agreement, employees transferring to companies under this Agreement will receive active benefits and any post-retirement benefits under the benefit plans or programs and subject to the terms of the contractual Benefits provisions of the receiving company.

CSE:

1. Surplus employees who express interest in available positions in participating companies will receive priority placement before external hires after regional contract processes for any bargaining unit job for which he/she qualifies. The qualification criteria utilized will be the same qualification criteria utilized for the regional contractual processes.
2. Employees who are declared surplus and subsequently involuntarily laid off who express interest in available positions in participating companies will receive priority placement before external hires after regional contract processes for any bargaining unit job for which he/she qualifies for a period of twelve (12) months following their involuntary lay off. The qualification criteria utilized will be the same qualification criteria utilized for the regional contractual processes.
3. In situations where there are equally qualified employees eligible and interested in the same position at the receiving Company, eligible employees will be offered the position in order of seniority. If needed, the tie breaker for employees with the same seniority will be the last four digits of their social security number with the higher number being the more senior.
4. Any CWA-represented regular employee covered by a CWA Labor Agreement held by a participating company whose work is moving from that company to another participating company may be offered the opportunity to follow their work. Such offer will be subject to the need for additional employees at the receiving Company and all applicable qualifications and selection criteria at the receiving Company. Employees who select this option in lieu of any severance payment and who are placed at and report to, the receiving Company, will receive payment for Relocation Allowance per the applicable terms and conditions of the collective bargaining agreement at their former Company. This Relocation Allowance will be paid when 1) the employee relocates his/her home residence as a result of following the work; and 2) the employee's new place of reporting is fifty (50) miles or greater road miles by the most direct route farther from their residence than was the old report location.
5. Any CWA-represented regular employee covered by a CWA Labor Agreement held by a participating company who becomes surplus and is offered a job, through the CSE process, in another participating company, will receive payment for Relocation Allowance per the applicable terms and conditions of the collective bargaining agreement at their former Company. Employees who accept a job offer in lieu of any severance payment and who are placed at and report to, the new location will receive payment for this Relocation Allowance when 1) the employee relocates

his/her home residence; and 2) the employee's new place of reporting is fifty (50) miles or greater road miles by the most direct route farther from their residence than was the old report location.

6. When a bargained-for employee moves to another bargaining unit of the Company covered by this Memorandum of Agreement treatment of vacation time, the Designated Holiday (DH), Floating Holidays (FHs), and Excused Work Days (EWDs) or their equivalent (covered time) will be treated as follows:
 - A covered employee will be eligible for covered time for the current vacation year at the new entity based on the existing labor agreements at that entity. Any covered time already taken at the former entity will be deducted from equivalent covered time for which the employee is eligible at the new entity; the remaining covered time will be scheduled at the new entity subject to needs of the business.
 - Covered time carried over from the prior vacation year must be disposed of, i.e., paid in lieu of or taken at the former entity.
 - In no case will an employee's movement from one entity to another result in the double payment for covered time.

7. Employees who have held the Premises/Wire Technician job title, or any job title in an agreement or appendix to an agreement that provides for the terms and conditions of employment for Premises/Wire Technicians ("Premises/Wire Technician Agreements"), are eligible for CSE, but shall be treated as provided in this paragraph. Any employee who has ever held a position in a Premises/Wire Technician Agreement will be treated by any receiving company that is party to this CSE agreement and that also is party to a Premises/Wire Technician Agreement as if they were received from their own Premises/Wire Technician Agreement for all purposes. If the receiving company does not have a Premises/Wire Technician Agreement, then employees transferring to that company shall receive the benefits applicable to other bargained-for employees with similar service in the receiving company, except for pension and post-retirement medical and dental benefits; instead, 1) such employees shall participate in the Bargained Cash Balance Program 2 and 2) if such employee meets the eligibility requirements for post-retirement benefits upon termination, the former employee will pay contributions equal to 50% of the total cost of coverage for post-retirement medical and dental coverage if the former employee is not Medicare eligible and will not be eligible for medical or dental post-retirement coverage if Medicare eligible.

8. Employees selected to fill openings in accordance with terms outlined above, will have their Term of Employment (TOE, which was previously known as Net Credit Service or NCS) or Seniority at the departing company recognized by the receiving Company's pension plan or program, subject to the receiving Company's service bridging rules. However, the TOE or Seniority will be recognized by the receiving company's pension program only for vesting, participation and eligibility service purposes, but not pension credit or accrual purposes. Further, the service performed at the receiving company will be counted in the departing company's pension plan or program, but only for vesting, participation and eligibility purposes (not for pension credit purposes). In no event will a period of service count as pension credit or accrual service in more than one AT&T pension plan or program (in other words, no double counting of service for pension credit or accrual purposes).
9. Unless expressly provided to the contrary by the Benefits Agreement in the Core Collective Bargaining Agreement, employees transferring to companies under this Agreement will receive active benefits and any post-retirement benefits under the benefit plans or programs and subject to the terms of the contractual Benefits provisions of the receiving company.
